1. RATIONALE

The quality of education depends on the competency of teachers, who are linchpin of the Education system. The Government of Sindh has taken drastic measures to ensure the employment of qualified, performance-oriented and effective teaching based staff to enhance quality of education and further to ensure the maximum enrolments in all schools of the province.

The statistics provided by the Sindh Education Management & Information System (SEMIS) indicates that only 9.7%, teachers with science background and 90.3%, teachers with humanities background are working in the department. This scenario necessitates the employment of teachers with science background for improving student learning outcomes in science subjects from class-I to X.

Moreover, as the children's brain development takes place in their early years, hence the Government has assigned top priority to Early Childhood Education' for 3 to 5 years old children. The Government of Sindh has also formalized Katchi classes and currently, Early Childhood Education (ECE) classes have been added with the existing schools. As the available teachers are not trained to teach ECE students effectively, therefore it has been decided to employ Early Childhood Teachers (ECT) on top priority in high enrolment schools throughout province. Around 1,100 female teachers (including Female Drawing Teachers) for early childhood education classes will be inducted during the first round of recruitment.

The new induction of merit-based teachers would help School Education Department, Government of Sindh to maintain Student-Teacher Ratio (STR) appropriately, and to ensure/retain the right balance of qualified teachers so that the students have access to a strong early education and development. Since 2008, School Education Department, Government of Sindh has recruited 30,000 teachers based on merit in three successive rounds. The fourth round of recruitment would also induct merit based competent and qualified teachers in Mathematics, Physics, Chemistry, Biology, Computer Science, English subjects.
2. OBJECTIVES OF THE RECRUITMENT POLICY

The core objectives of the proposed Recruitment Policy for Teachers are as under:

I. To induct Early Childhood Teachers (ECTs) at Taluka Level;
II. To induct subject based Junior Elementary School Teachers (JESTs), (Mathematics, Physics, Chemistry, Zoology, Botany, Computer Science & English) at Taluka Level; and
III. To induct subject based Secondary School Teachers (SSTs), (Mathematics, Physics, Chemistry, Biology, Computer Science & English) at Taluka Level.

3. INDUCTION OF EARLY CHILDHOOD TEACHERS (ECTS) AT TALUKA LEVEL

Children's curiosity and imagination evokes learning and Early Childhood Education (ECE) focuses on education through engaging in recreation and developing appropriate standards to meet the physical, intellectual, lingual, emotional and social needs of children. To achieve the required objectives, female Early Childhood Teachers (ECTs) will be inducted and placed in the high priority and high enrolment schools.

4. INDUCTION OF SUBJECT BASED JUNIOR ELEMENTARY SCHOOL TEACHERS-JESTS (MATHEMATICS, PHYSICS, CHEMISTRY, ZOOLOGY, BOTANY, COMPUTER SCIENCE & ENGLISH) AT TALUKA LEVEL

There is acute shortage of the JESTs in Mathematics, Physics, Chemistry, Zoology, Botany, Computer Science & English subjects. It has therefore been decided to appoint the required number of subject based teachers (classes I to VIII) in schools for improving teaching and learning process at Taluka Level.

5. INDUCTION OF SUBJECT BASED SECONDARY SCHOOL TEACHERS-SSTs (MATHEMATICS, PHYSICS, CHEMISTRY, BIOLOGY, COMPUTER SCIENCE & ENGLISH) AT TALUKA LEVEL

There is also acute shortage of the subject based Secondary School Teachers in Mathematics, Chemistry, Physics, Biology, Computer Science and English subjects, in order to meet the shortage the requisite number of Teachers will be appointed for class IX-X in schools for improving teaching and learning process at Taluka Level.

6. INDUCTION OF OTHER CADRE TEACHERS AT TALUKA LEVEL
