READING COMPREHENSION: (QUESTIONS-10)

“I am writing to complain about the poor service provided by your train company. Yesterday I travelled on the 7:20 from Oxford to London Paddington. Not only was the train thirty minutes late leaving Oxford but we were further delayed at Reading and no explanation or apology was offered. Furthermore, the heating broke down and the train got colder and colder. I complained to a member of staff, who was most unhelpful and unsympathetic. As a result of the delays I was two hours late for an important meeting with a valuable client, which caused considerable difficulty and embarrassment. In the circumstances I believe I am entitled to compensation. I look forward to hearing from you very soon.”
